

# INTERNATIONAL CONFERENCE ON NEXT-GEN MATERIALS FOR SUSTAINABLE DEVELOPMENT (ICNMSD-2026)

JUNE 3-4, 2026

## ORGANISING COMMITTEES

### CHIEF PATRON

S. Rashpal Singh Dhaliwal  
Chancellor,  
CGC University, Mohali, Punjab,  
India.

Mr. Arsh Dhaliwal  
Managing Director,  
CGC University, Mohali, Punjab,  
India.

### PATRON

Dr. Vinay Kr Goyal  
Executive Director, CGC University  
Dr. Anupamdeep Sharma  
Registrar, CGC University  
Dr. Anish Gupta  
Director Academics, CGC University  
Dr. Sajjan Singh  
Principal, CCE, Jhanjeri, Mohali

### CONVENOR

Dr. Anamol Gautam  
Professor  
Department of Applied Sciences, CGC  
University, Mohali, Punjab, India.  
Dr. Sandeep Singh  
Dean Research,  
ACRI, CGC University, Mohali,  
Punjab, India.

### CO-CONVENOR

Dr. Parveen Kumar  
Assistant Professor  
Department of Applied Sciences, CGC  
University, Mohali, Punjab, India.  
Dr. Mayank Khera  
Assistant Professor  
Department of Applied Sciences, CGC  
University, Mohali, Punjab, India  
Dr. Amritpal Kaur  
Assistant Professor  
Department of Applied Sciences, CGC  
University, Mohali, Punjab, India  
Dr. Ankush  
Assistant Professor  
Department of Applied Sciences,  
CGC University, Mohali, Punjab,  
India

### ABOUT CGC UNIVERSITY, MOHALI

CGC University, Mohali was established in 2025 under the aegis of the Chandigarh Educational Society. Backed by a legacy of over 25+ years in delivering excellence in education, the institution has transformed into a full-fledged university while upholding its strong academic foundation and commitment to student success.

Under its previous identity as Chandigarh Group of Colleges, Jhanjeri, the institution earned the prestigious NAAC A+ accreditation with an impressive CGPA of 3.46/4.0, reflecting its high standards in teaching, research, and overall institutional performance.

With experienced faculty, modern infrastructure and a commitment to innovation, CGC University, Mohali aims to deliver quality higher education at affordable fees. It emphasizes practical learning and industry readiness which makes it a preferred destination for students across the country.

### ABOUT THE CONFERENCE

The 1st International Conference on Next-Gen Materials for Sustainable Development (ICNMSD-2026) is a premier platform dedicated to advancing research, innovation and collaboration in the field of materials science with a focus on sustainability. This conference brings together leading scientists, engineers, industry experts and academicians from around the globe to share insights on cutting-edge materials, renewable energy applications and environmentally friendly technologies. ICNMSD-2026 aims to foster interdisciplinary discussions, highlight recent breakthroughs and explore practical solutions for sustainable development challenges. Attendees will have the opportunity to engage in keynote sessions, technical presentations and interactive workshops, making it a vibrant hub for knowledge exchange and future collaborations in next-generation materials.

### CALL FOR PAPERS

Prospective authors are encouraged to submit their original, unpublished research article (which is not under review in any other conference/ Journal) under the given tracks in the specified format through the CMT for publication in the ICNMSD-2026. Submissions must be plagiarisms free. All submissions must be in English only. The paper template can be downloaded from the link given below.

Delegates	Registration Fee (For Participation only)
UG/PG students	6,000 (INR)
Research Scholar/Academicians	8,000 (INR)
Corporate/Industry	10,000 (INR)
Foreign Delegates	200 (USD)

### ABOUT DEPARTMENT OF APPLIED SCIENCES

The Department of Applied Sciences at CGC University, Mohali is recognized as a hub of excellence in technical education, innovation, and industry-focused learning. It offers undergraduate and postgraduate programs that equip students with a strong grounding in thermal engineering, design, manufacturing, fluid mechanics, robotics, and emerging technologies. Supported by a highly qualified faculty, state-of-the-art laboratories, and an industry-aligned curriculum, the department is committed to developing skilled engineers and researchers capable of addressing global engineering challenges. In addition to academic rigor, the department fosters innovation, research, and entrepreneurship, preparing students for leadership roles in sectors such as automotive, aerospace, energy, and advanced manufacturing systems.

# INTERNATIONAL CONFERENCE ON NEXT-GEN MATERIALS FOR SUSTAINABLE DEVELOPMENT (ICNMSD-2026)

## ORGANIZING COMMITTEE

Dr. Arvind Kumar  
Dr. Varinder Singh  
Dr. Kapil Sharma  
Dr. Sachin Kumar  
Dr. Pawan Kumar Pandey  
Dr. Jaya Bansal  
Dr. Vandana  
Dr. Akshita  
Dr. Gitanjali  
Dr. Preetinder Kaur  
Ms. Anayana  
Ms. Sanya Batra

## CONFERENCE TRACKS

### Track 1: Innovative Materials & Techniques for Green Transitions

- Advanced Materials for Clean and Renewable Energy
- Functional and Smart Materials for Energy Efficiency
- Green Manufacturing and Low-Carbon Processing Technologies
- Circular Economy Materials: Recycling, Reuse, and Upcycling

### Track 2: Computational Materials Science and Multiscale Modelling

- Machine learning and AI for materials prediction
- Simulation of mechanical, thermal, and transport properties
- High-performance computing for materials simulations
- Simulation of mechanical, thermal, and transport properties

### Track 3: Advanced Functional Materials for Energy Applications

- Materials for solar cells, batteries, supercapacitors
- Hydrogen storage and fuel cell materials
- Thermoelectric and energy-harvesting materials

### Track 4: Nanomaterials and Nanotechnology for Sustainability

- Green synthesis of nanomaterials
- Nano-enabled environmental remediation
- Nanomaterials for energy, water, and healthcare

### Track 5: Materials for Environmental Protection and Water Treatment

- Adsorbents and membranes for water purification
- Catalysts for pollution control
- Carbon capture and sequestration materials

## REGISTRATION FEES CAN BE PAID THROUGH NEFT/ONLINE TO:

Account Name	<b>Chandigarh Engineering College, R&amp;D</b>
Bank Name	State Bank of India
Account Number	41809014534
IFSC Code	SBIN0017008
MICR Code	160002082
Bank Name &Address	Jhanjeri, Sirhind Road 140307
